The Association of Veterinary Soft Tissue Surgeons Presents

Annual Spring Meeting

Birmingham
United Kingdom

11 April 2012

What is New and Hot in Soft Tissue Surgery

The AVSTS would like to invite our members to our annual spring meeting.

For all information, registration and prices please visit our website or email: avstsadmin@fsmail.net

www.avsts.org.uk
Scientific Programme

Traditionally the annual spring meeting aims to give an update on new developments in the field of soft tissue surgery. This year we will cover topics such as laryngeal paralysis, vacuum assisted wound closure as well as an in-depth session on adrenal surgery (from minimally invasive adrenalectomy to hypophysectomy). There will also be time for clinical abstracts, the AVSTS business meeting and the Peter Holt Award.

Wednesday 11th April 2012

Abstract Session

Biochemical diagnosis of pheochromocytoma: The medic’s view. (Dr. Harriet Syme)

Oral approach to the brain for surgery of the endocrine master gland. (Dr. Bjorn Meij)

Through the keyhole- laparoscopic adrenalectomy in dogs: (Dr. Manuel Jimenez Pelaez)

AVSTS Business Meeting

Lunch

Peter Holt prize and presentation of the winning abstract

How to remove the invasive adrenal tumor via open surgery. (Prof. R. White)

Human Adrenalectomy (Dr. Jonathan Hubbert) (Sponsored by Ethicon)

Challenging wounds and their closure (Prof. Michael. Pavletic)

Update on negative wound pressure management. (Dr. Bryden Stanley)

Wound Dehiscence: Causes and Solutions: (Prof Michael. Pavletic)

Update on Laryngeal Paralysis (Dr. Bryden Stanley)
